Extraordinary General Meeting

The Board of Directors of the Company is pleased to announce that the Resolution proposed at the Extraordinary General Meeting of the Company held today was duly passed without amendment by the required majorities.

Further details of the Resolution are set out in the Circular and Notice of Extraordinary General Meeting dated 29 October 2020, copies of which are available on the National Storage Mechanism at: <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>. Defined terms in this announcement shall, unless the context otherwise requires, have the same meaning as used in the Circular.

Shareholders should note that the approval of the Resolution by the Shareholders of the Company represents the satisfaction of one of the conditions to which the Secondary Sale was subject. There are however a small number of standard conditions precedent that are required to be satisfied before completion of the Secondary Sale can occur. It is anticipated that these outstanding conditions precedent will be satisfied, and accordingly the Secondary Sale is expected to complete, on or around 4 December 2020. The Company will provide a further update to the market in due course once completion of the Secondary Sale has taken place.
