

Allergy Therapeutics plc
("Allergy Therapeutics" or the "Company")

**Publication of Annual Report and Accounts Delayed
Temporary Suspension of Shares**

15 December 2023 Allergy Therapeutics plc (AIM: AGY), the fully integrated commercial biotechnology company specialising in allergy vaccines, announces that its auditor, BDO LLP ("BDO"), has informed the Company that it requires additional time to complete its audit for the year ended 30 June 2023, due to resource availability within the audit engagement team.

As a result of the delay to the audit process, the Company will not meet the deadline to publish its annual report and accounts by 31 December 2023. Consequently, the Company is not able to comply with the requirements of AIM Rule 19 of the AIM Rules for Companies which requires publication of the Company's annual report and accounts within six months of the year end. Accordingly, the Company's ordinary shares will be suspended from trading on AIM with effect from 7.30 a.m. on 2 January 2024.

The Company's ordinary shares will remain temporarily suspended from trading on AIM until such time as the Company has satisfied the requirements of AIM Rule 19 with respect to publication of its annual report and accounts. The final audit and subsequent publication of Allergy Therapeutics' annual report and accounts are aiming to be completed as soon as possible, this is anticipated to occur by the end of January 2024.
